

Central Athletic Club – trophies from Grangemouth Olympiads

On its formation in 1974, Central AC inherited various trophies from Grangemouth Olympiads, one of its predecessor clubs, which are still in use as Central trophies 50 years later. These trophies are all awarded for performances at the club's annual track and field championships.

They are engraved with the names of Grangemouth Olympiads champions in the period from 1970 until its merger into Central AC in 1974:
